

# 1 CHE 3300: Homework Assignments

These are the homework assignments for the semester. You may turn them in at any time before the due date to receive full credit. Homework solutions that are turned in early (minimum of 24 hours before the due date) and have scores above 75% will receive a bonus of 10%. *Students should make copies of their homework before submission to ensure they have it to study for exams.* **The course instructor reserves the right to modify the homework assignments during the semester.**
